

NEW ZEALAND PROFESSIONAL FLORISTS INC.

New Zealand Professional Florists Inc. is a non profit making organisation founded with the sole objective of raising the national standards of floristry.

NZPF provides a training programme encouraging Professional Florists to reach a recognised high standard of proficiency. Assessing standards have been established for Assessors to mark uniformly nationally to a consistent high standard.

The NZPF quarterly Newsletter is sent out to all members and contains full information of assessment, tutorials and coming events, together with articles of interest for florists.

Membership of NZPF is an advantage to every florist and NZPF welcomes interested persons and those who are prepared to support the organisation's aims and objectives.

MEMBERSHIP OF NEW ZEALAND PROFESSIONAL FLORISTS WILL PROVIDE

- an opportunity to sit assessments for New Zealand Professional Florists Qualifications, working towards your Level 3 and Level 4 Certificates and ultimately the NZ Professional Florists Diploma and Master Florist
- an opportunity to purchase the NZPF Handbook (history, structure, awards, qualifications, elements and principles of design, colour harmonies and design styles, assessment guidelines, unit titles and costs, assessor requirements, along with a comprehensive colour wheel and detailed wiring notes
- an opportunity to join us at the Annual Design weekend which includes demonstrations and workshops and the Annual General Meeting
- quarterly Newsletters overflowing with advice, latest industry news, articles on trends and design, assessments, employment opportunities etc.
- friendship, support and inspiration from others like you to work through the assessment programme

Held in high regard the NZPF Diploma has been a great attraction to international designers. These sought after designers are proof that our qualifications are an important career choice

Register your interest for membership now! If you want to know more, please don't hesitate to email, phone or fax us on (04) 2375840
