

## **NEW ZEALAND PROFESSIONAL FLORISTS INC.**

New Zealand Professional Florists Inc. is a non-profit making organisation, founded with the sole objective of raising the national standards of floristry.

NZPF Incorporated provides a training programme encouraging professional florists to reach a recognised high standard of proficiency. Assessing standards have been established for Assessors to mark uniformly nationally to a consistent high standard.

Tutorials, at all levels are held annually for guidance of Members, prospective floristry students and interested persons. In addition New Zealand and overseas guest Floral Designers demonstrate and hold workshops.

The NZPF's quarterly newsletter is sent out to all Members and contains full information of Assessments, Tutorials and coming events, together with articles of interest for florists.

Membership of the NZPF is an advantage to every Professional Florist and NZPF Inc. is pleased to welcome those who are prepared to support the organisation's aims and objectives.

New Zealand Professional Florists Inc. brings together Professional Florists providing education, inspiration and opportunity to obtain highly respected qualifications recognised nationally and internationally.

Floristry is a career of dedication and we are all striving for excellence in a competitive market. The NZPF network provides support to all involved. Work towards your Level 3 Junior, Level 4 Senior or Diploma qualifications and meet people with similar goals and objectives.
